

Evidence-Based Layout Analysis Across Three Research Columns

Method 1.1 concise finding	Method 2.1 concise finding	Method 3.1 concise finding
Method 1.2 concise finding	Method 2.2 concise finding	Method 3.2 concise finding
Method 1.3 concise finding	Method 2.3 concise finding	Method 3.3 concise finding

Cross-column results establish the second reading band

Result 1.1 measured outcome	Result 2.1 measured outcome	Result 3.1 measured outcome
Result 1.2 measured outcome	Result 2.2 measured outcome	Result 3.2 measured outcome
Result 1.3 measured outcome	Result 2.3 measured outcome	Result 3.3 measured outcome
