We also have specified Luggage item limits under Section 3 Luggage.

There are also General Exclusions which apply to all sections of the policy. It is important You understand what the policy covers and does not cover so please read all exclusions and the General Exclusions carefully.

Plan types

International Single Trip

Designed for single use Trips when You are departing from and returning to Australia. When You purchase Your policy, please include the countries and regions to where You are travelling, excluding stop-overs under 24 hours. This will determine the Premium You pay.

Annual Multi-Trip

Your Annual Multi-Trip policy covers You for international Trips as well as Trips within Australia where the Trip is more than 250km from Your Home. For the part of Your Trip that is in Australia, You are not covered for medical, hospital, dental or evacuation cover.

When You purchase Your policy, please include the countries and regions to where You are travelling excluding stop-overs under 24 hours. This will determine the Premium You pay.

If You need to make any additional changes to the countries and regions listed after You have purchased Your policy, please contact Us and if We agree to provide cover for that country or region, note there may be an impact on the Premium You pay. Our Annual Multi-Trip can be a good alternative if You plan to make multiple Trips over a 12 month period. Compare Your individual requirements before You choose Your plan.

The Annual Multi-Trip offers:

- Annual cover for an unlimited number of Trips over a 12 month period
- A maximum duration limit of either 30, 45 or 60 days per Trip (or the maximum durations shown on Your COI)

- If You purchase the Annual Multi-Trip plan, the Sums Insured under each of the sections of the policy are automatically reinstated on the completion of each Trip.

Domestic Single Trip

This plan is a single use policy for travel within Australia while on Your Trip. Please note the domestic policy does not include any medical, hospital, dental or evacuation cover as We are a general insurer and cannot cover medical costs in Australia. Therefore, the domestic policy is not suitable for Cruises requiring the medical and evacuation benefit. See below.

Information about cruising

Cruise cover

If You require cover for a Cruise, please select the 'Cruise Benefits option' when You purchase Your policy. This will determine the Premium You pay based on the number of days of cruising selected. In addition to the benefits as outlined in the Policy Wording Sections 1-14, You will also have cover for benefits up to the Section Limits shown in the table found in [Section 21](#).

Cover for international and domestic river cruising is included automatically in Your policy and You do not need to select the 'Cruise Benefits option'.

Open Water Sailing – International or Domestic

There is an exclusion for any Open Water Sailing. This applies to a sailing vessel using either a motor or wind as its means of propulsion and We will not cover You on these types of vessels unless the vessel stays within 12 nautical miles of

any landmass. For example, if *You* sail in a commercially operated sailing vessel along the coast of Croatia or The Whitsundays and always stay within 12 nautical miles of any landmass, this activity is automatically included in *Your* cover and there is no need to select the 'Cruise Benefits option'.

Going on an Ocean Cruise – International

If *You* are going on an international ocean *Cruise*, *You* will only be covered for this travel if *You* select the 'Cruise Benefits option' and add all countries and regions being visited in the destination list at the time *You* purchase *Your* policy.

Going on an Australian Cruise

Cruising to Australian plus international ports

Many cruises depart Australian ports to visit other Australian ports and then international ports of destination. For example, Sydney to Brisbane then to countries in the South Pacific.

For these types of cruises, at the time *You* purchase *Your* policy, please select 'Australian Cruise' and add all countries and regions being visited in the destination list - this will ensure *You* have cover for medical evacuation and medical costs while overseas or onboard, but please note any medical treatment received onshore in Australia is not covered as this is provided by Medicare.

Cruising to Australian ports or offshore islands

Many cruises depart from Australian ports to visit major city or regional ports, for example cruising from Sydney to Brisbane or cruising in the Kimberly region. For these sorts of cruises the below cover is available:

- a) If *Your* cruise has medical facilities and medical providers onboard, and meets the definition of *Cruise*, at the time *You* purchase *Your* policy please select 'Australian Cruise'. This will ensure *You* have cover for any medical evacuation and medical costs while onboard, as some medical providers onboard are not registered with Medicare.
- b) If *Your* cruise has no medical facilities and medical providers onboard at the time *You* purchase *Your* policy please select 'Australia – Domestic cover'. Please note that 'Australia – Domestic cover' will not cover cruising in international waters.

Chartered or self-operating vessels in Australia

If *You* are chartering or self operating a vessel, please select 'Australia – Domestic cover' at the time *You* purchase *Your* policy. Please note the domestic policy does not include any medical, hospital, dental or evacuation cover.

COVID-19

Cover is extended to include claims arising from COVID-19 in the sections listed below.

Section 1 – Cancellation Fees and Lost Deposits

Section 2 – Overseas Medical, Hospital, Cash in Hospital, Dental and Related Expenses

Section 4 – Emergency Expenses

If *You* have selected the 'Ski and Winter Sports option', cover for claims arising from COVID-19 is available under the following sections:

Section 17 – Ski Pack

If *You* have selected the 'Cruise Benefits option', cover for claims arising from COVID-19 is available under the following sections:

Section 21A – Cabin Confinement

Section 21C – Missed Shore Excursion

Any medical diagnosis of COVID-19 must be provided by *Your Treating Doctor* or *Our Consulting Medical Officer*.

Terms, conditions, exclusions, limits and applicable *Sub-Limits* apply, dependent on the plan type purchased. Please refer to the *General Exclusions* section and the exclusions set out in each of the sections listed above. For all other sections and any other claim arising from, or related to *Pandemics* or *Epidemics*, cover is excluded.

Before You buy

Here is some important information *You* should know before *You* buy this policy and before *You* leave for *Your Trip*.

Your duty to take reasonable care not to make a misrepresentation

Before *You* start, reinstate, extend, or vary a policy with *Us*, *You* have a duty to take reasonable care not to make a misrepresentation to *Us* ("*Your Duty*").

When *You* ask for cover or request *Your* cover to be altered, *You* must answer all the specific questions that *We* ask accurately, honestly and with reasonable care, to the best of *Your* knowledge. This may mean, for example, that *You* should take reasonable steps to find out the answer to a question if *You* do not already know the answer before responding to the question. *We* rely on the information that *You* provide to *Us* to decide whether or not to insure *You* and, if so, on what terms (including the cost). *Your Duty* applies to everyone who will be insured under the policy and *Your* answers to *Our* questions on their behalf will be treated as their representations.

Your Duty ends once *We* agree, in writing, to insure *You*. Whether or not *You* have taken reasonable care not to make a misrepresentation to *Us* will be determined with regard to all the relevant circumstances, including any of *Your* particular characteristics or circumstances which *We* were (or ought to have been) aware of. It may also include the type of insurance cover that *You* have asked for and who it is intended to be sold to, and whether or not someone was acting on *Your* behalf when *You* asked for cover.

If *You* do not take reasonable care not to make a misrepresentation, *We* may be entitled to reduce or deny any claim *You* may make or cancel the policy altogether. If *Your* failure to comply with *Your Duty* is fraudulent, *We* may choose to avoid the contract from the beginning, which means treating it as though *Your* policy never existed.

If *You* are uncertain about whether or not a particular matter should be disclosed to *Us*, please contact *Us* and *We* will try and assist *You*.

- completion of *Your Trip*;
- expiry of the *Period of Insurance* shown on *Your COI*;

If *You* suffer a loss during the *Period of Insurance* due to an *Insured Event*, *You* can submit a claim under this policy.

Cancelling Your policy

Cancelling within the cooling-off period

You have 21 days from the day *You* purchase *Your* policy to decide if the cover is right for *You* and suits *Your* needs. *You* can cancel *Your* policy within this cooling-off period for a full refund, provided that *You*:

- Haven't started *Your Trip*;
- Haven't made a claim; and
- Don't intend to make a claim or exercise any other rights under *Your* policy.

Simply contact *Us* on [1300 338 821](tel:1300338821) within the cooling-off period and *We* can arrange this for *You*.

Cancellation outside the cooling-off period

If *You* would like to cancel *Your* policy outside the cooling-off period then *You* can request *Us* to consider this.

We may at *Our* discretion consider agreeing to a cancellation if *You*:

- Haven't started *Your Trip*;
- Haven't made a claim; and
- Don't intend to make a claim or exercise any other rights under *Your* policy.

We may at *Our* discretion provide *You* with a pro-rata refund.

Our decision on whether to cancel *Your* policy outside the cooling-off period and provide a refund will be based on numerous factors including:

- The level of cover/policy type chosen;
- The date *You* purchased *Your* policy and the date the *Trip* would have begun; and
- Any other circumstances.

Making changes to *Your* policy

You can ask for changes to *Your* policy before *Your Trip* departure date (as shown on *Your COI*), provided that *You* do not want to make a claim in relation to the old information that has since been changed and provided that *You* give *Us* reasonable notice. Any change made, if agreed by *Us*, may incur an additional *Premium*.

Once *Your Trip* has commenced, no changes can be made to *Your* policy without *Our* approval. If changes are made to the *Trip* length, the *Period of Insurance* on *Your* new *COI*, when added to the period on *Your* original *COI*, cannot exceed a combined maximum period of 12 months.

Medical Conditions We need to assess

If *You* have a *Medical Condition* that is not automatically covered above and *You* want cover for this *Medical Condition*, *You* will need to complete *Our* online medical assessment so that *We* can assess whether:

- a. *We* can cover the *Medical Condition* – in which case an additional *Premium* may be payable and the *Medical Condition* will be listed on *Your COI*; or
- b. *We* can't cover the *Medical Condition* – in which case the *Medical Condition* that has not been accepted will be listed on *Your COI*.

Medical Conditions that are under or awaiting further investigation or other treatment

We are unable to offer cover for any medical or physical condition, disorder, disease, disability or illness, including any *Mental Illness* that:

- *You* were aware of, or a person in *Your* circumstances should reasonably have been aware of, or
- arose from any condition or set of symptoms that *You* were aware of or a person in *Your* circumstances should reasonably have been aware of,

at or before the *Relevant Time*, and for which at that time:

- *You* are currently under investigation and are awaiting a diagnosis; or
- *You* are awaiting specialist opinion; or
- *You* are awaiting tests or surgery; or
- *You* are awaiting other treatment recommended by *Your Treating Doctor*.

If any of the above apply, *You* will not be able to apply for cover for those *Medical Conditions*. There will be no cover for

claims which in any way relate to, or made worse by, any *Medical Condition* or any condition if any of the above apply. *You* may still be eligible for the other benefits provided by the policy.

If *You* receive a diagnosis before *You* depart on *Your Trip*, *You* may be able to complete *Our* online medical assessment and, if approved, *We* will add that *Medical Condition* to *Your* policy provided *You* pay *Us* any required additional *Premium*.

Changes in Your health

If, before starting *Your Trip*, *You* become aware of, or a reasonable person in *Your* circumstances would have or ought to have become aware of, a change in *Your* health:

- that has, or is likely to have, an effect on the diagnosis, severity, or management of a *Medical Condition*, such as a change in treatment, medication or dosage, a new symptom or change of a condition of a *Medical Condition*, that *We* have accepted on *Your COI*; or
- which is a new medical or physical condition, disorder, disease, disability or illness, including any *Mental Illness* that manifests, and that is not otherwise covered under the '*Medical Conditions We automatically cover*' section, after the *Relevant Time*;

then *You* must tell *Us* as soon as reasonably practicable and prior to starting *Your Trip*.

We will then assess the condition to determine if *We* can offer *You* cover, as outlined in the '*How We cover Medical Conditions*' section above. If *We* consider any change in health no longer satisfies the criteria *We* offer under the policy because it substantially increases the risk of loss, damage, illness, injury or liability, then *We* will let *You* know and decline or withdraw coverage, as applicable, by issuing *You* an updated *COI* with any applicable changes to *Medical Conditions* that are or are not covered by the policy.

If *We* withdraw or decline cover for the *Medical Condition* and *You* decide to cancel *Your Trip* as a result, cover is available under [Section 1 Cancellation Fees and Lost Deposits](#) on page 14, subject to policy terms and conditions. Alternatively, if *You* do not claim and want to cancel *Your* policy prior to starting *Your Trip* as a result of this decision, *We* will refund *Your Premium* in full, even if this is outside the cooling off period.

If *You* fail to tell *Us* about a change in *Your* health as set out above, *We* may refuse coverage or refuse to pay *Your* claim, in whole or in part, to the extent that *We* have been prejudiced as a result of *Your* failure to notify *Us*. *We* may also be entitled to cancel *Your* policy.

How Your Premium is calculated

The amount We charge You for this insurance policy is the total amount of Premium that We determine covers Our risk, associated costs and any government charges like Stamp Duty and GST. When We issue Your policy the total Premium and any government charges will be displayed on Your COI. If You change Your policy in any way, You may need to pay an additional amount or You may be entitled to a refund of part of Your Premium.

In order to calculate Your Premium We take a number of factors into consideration including:

- where You are travelling
- how long You are travelling for
- the number of travellers and their ages
- the plan You select
- the Excess level chosen
- Medical Conditions and pregnancy
- any other optional extras You choose.

For example:

- the plan - the higher the level of cover the higher Your Premium will be
- the length of Your Trip - in most cases the longer the Trip the higher Your Premium will be
- the Excess You select - the lower the Excess You choose the higher Your Premium will be
- coverage options – cover like 'Ski and Winter Sports option' and 'Cruise Benefits option' will increase Your Premium.

How Your claim payment is calculated

Factors that contribute to the calculation of the amount We will pay You for a claim include:

- the actual amount of the loss
- applying the various benefits and limits provided under the plan You have purchased
- less the Excess You have nominated on Your COI
- less any compensation, refund or credit You may have received from Your pre-paid booking for Your Trip.

For example -

You have purchased Our Premium policy and Your camera is stolen from You at the local market. The following scenario applies:

- You paid \$5,000 for Your camera when You bought it 2 years ago. Our policy covers new for old, so there is no depreciation to factor in
- The market organiser compensates You \$500 for the inconvenience, leaving Your actual loss at \$4,500
- The limit under this policy for an item like a camera is \$3,000 and the overall limit for Luggage is \$15,000
- You chose to pay the additional Premium when You bought the policy to reduce Your Excess to \$100
- The result is, if You have met all the terms and conditions of the policy, We will replace Your camera or cash settle, up to the cost of an equivalent replacement to a maximum of \$2,900, which is the camera limit less Your chosen Excess.

If any part of *Your* claim is covered by other insurance, *You* must give *Us* details of that insurance and provide any assistance that *We* reasonably request to obtain contribution from the other insurer(s). Regardless of how many policies *You* hold, *You* cannot recover more than *Your* loss. If *You* have already claimed under other insurance but have not been paid *Your* full loss, *We* will pay the difference, subject to the terms of this policy.

Subrogation

If *You* are aware of any person that *You* or *We* may recover money from, *You* must let *Us* know.

You must provide reasonable assistance and permit to be done, all acts and things as required by *Us* for the purpose of recovering compensation or securing indemnity from someone else, including another insurer, to which *We* may become entitled or subrogated upon *Us* paying *Your* claim under this policy, regardless of whether *We* have yet paid *Your* claim in full and whether or not the amount *We* pay *You* is less than full compensation for *Your* loss.

We will apply any money *We* recover from someone else under a right of subrogation in the following order:

1. to *Us*, *Our* costs (including administration and legal) arising from recovery
2. to *Us*, an amount equal to the amount that *We* paid to *You* under *Your* policy

If *We* have paid *You* for lost or damaged property and *You* later recover the property or it is replaced by someone else, *You* must pay *Us* the amount of the claim *We* paid to *You*.

Fraud

We will not pay if *Your* claim is fraudulent.
