

# Example 9

This is a page which shows you how illustrations, grids and the place tag work.

This is an illustration  
The red circle you can see is an *illustration*, not a *pageGraphic*.

So is the teal colored one.  
These are all flowables in the story.

					<div><div>This is a use of <i>place</i></div><div><p>This is a flowable. In this case, it is in a &lt;para&gt; tag, but it could be any flowable. It has been placed inside a grid, but you could put it inside any graphic or pageGraphics. Using the place tag, you can have complete control over where you want your flowables to appear.</p><p>You can include Greek: αβγδ.</p><p>Or even</p><p>a blockTable.</p></div></div>
