This price list is an unofficial translation of the Korean price list for the convenience of foreign residents in South Korea.
If the price list differs from the Korean price list, please check the contents of the Korean price list first.

※ The post-tax benefit sales price is provided for your reference only, reflecting the current tax benefits and eco-friendly vehicle individual consumption tax reductions.
The final sales price may vary depending on the addition of optional items and whether the eco-friendly vehicle criteria are met, so please be sure to check the quotation.
※ Please check the Korean price list for information on colors, details, and fuel consumption for each model.
※ All optional item prices are listed based on pre-tax reduction amounts.
The actual sales price, which reflects the total individual consumption tax reduction including optional items, may differ depending on applicable tax benefits.
※ The items (specifications, colors, etc.) and prices listed in this pricing table are subject to change without prior notice depending on the holding of new car launch events, improvements made in automobile performance, introduction of related laws and regulations, and changes in company circumstances.
