

multi_sample_segmentation

```
graph TD; A[multi_sample_segmentation] --> B[all];
```

A flow diagram showing a relationship between two nodes. The top node is a rounded rectangle with a red border containing the text 'multi_sample_segmentation'. A thick grey arrow points vertically downwards from the bottom center of this node to the top center of a second rounded rectangle below it. This second node has a green border and contains the text 'all'.
