

# RiboMetric Report

Results from your RiboMetric analysis of SRR618774.bam, completed at 17:32:12 13/11/2023

## Summary Report

Read length distribution metric	0.4
Ligation bias distribution metric	0.008
3nt weighted score	0.14
3nt weighted score best 3 read lengths	0.096

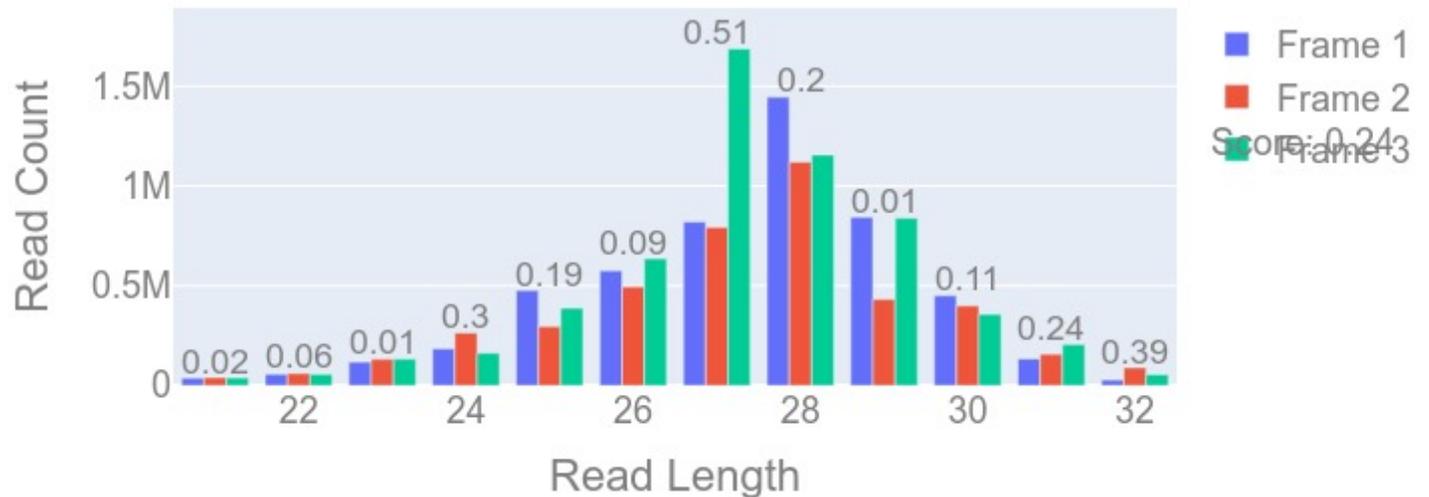

## Summary Scores

## Read Frame Distribution

Frame distribution per read length

## Read Frame Distribution

## Ligation Bias Distribution

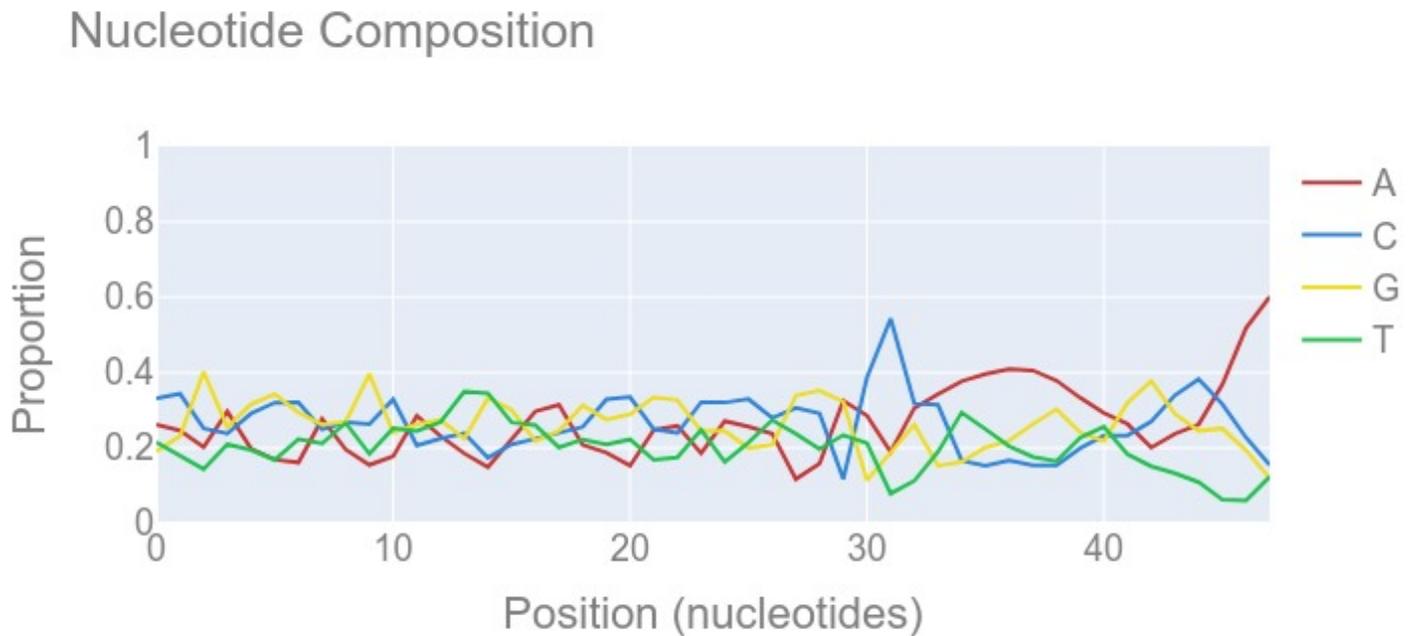

Distribution of end bases for the full dataset

---

## Nucleotide Composition

Nucleotide composition of the reads

---

## Read Length Distribution

Distribution of read lengths for the full dataset
