

NADIA KELLER

Machine Learning Engineer | Zug, Switzerland
nadia.keller@example.test | Swiss C permit, held since 2016

EXPERIENCE

Senior ML Engineer Mar 2020 – present

Invented Software GmbH, Zug

- Own the recommendation service end to end: training, serving, evaluation and the pager. Six years, two incidents that were mine.
- Replaced an offline-only eval with an online one after a ranking regression went unnoticed for nine days.
- Cut serving cost 45% by distilling the ranker.

ML Engineer Aug 2017 – Feb 2020

Invented Analytics AG, Basel

- Forecasting models for retail inventory. Built the feature store and the backfill tooling the team still uses.

Software Engineer Sep 2015 – Jul 2017

Invented Labs, Bern

- Python services and the data ingestion pipeline.

SKILLS

Python	GCP, Vertex AI	Feature stores
PyTorch	Kubernetes	A/B testing
scikit-learn	Terraform	Airflow

EDUCATION AND LANGUAGES

MSc Computer Science, Invented University 2015
