

Mateo Fernandez

Barcelona, Spain | mateo.fernandez@example.test | EU citizen
Open to relocation to Switzerland. No permit yet; EU/EFTA route applies.

EXPERIENCE

- '21–now

Backend Lead, Invented Marketplace SL
Lead four engineers on the order and payments services. Took checkout availability from 99.2% to 99.95% over a year by fixing retries and isolating the payment provider behind a circuit breaker.
- '18–'21

Senior Backend Engineer, Invented Travel SA
Search and availability APIs in Python and Go. Owned the caching layer.
- '15–'18

Backend Engineer, Invented Studio
Django services for client products.

SELECTED PROJECTS

- openapi-diff

CLI that fails CI on a breaking API change. 900 stars.
- pg-partition

Postgres partition manager used at two former employers.

SKILLS

Python, Go, TypeScript
Postgres, Redis, Kafka
AWS, Docker, CI/CD
Spanish native, English fluent
